

WANTED

automotive detailing distributors

Are you currently a Regional Distributor to the Car Wash and/or Detailing Industry? Are you frustrated with poor performing equipment or a lack of quality products to sell to your key customers?

U.S. Products is in the process of identifying and qualifying regional distributors of Auto Detailing Products & Equipment. We have made a commitment to this growing industry by expanding upon our existing line of Auto Detailing products, as well as, the creation of new products specifically designed to meet and exceed the demands and expectations of today's detailing professional.

If you would like to partner with us as we launch our product line with quality products never before offered to the Auto Detailing professional, contact Stephen Romero at (800) 257-7982 x121 or sromero@usproducts.com
