

XLT-60

Heated Portable Carpet & Upholstery Extractor

Cars • RV's • Busses • Boats • Aircraft

Instant high heat, a compact lightweight body and superior cleaning ability combine to make the XLT-60 an extremely powerful and versatile wet-cleaning machine. The XLT-60 will clean virtually any wet-cleanable fabric right on site. Compact size and built-in carrying handle makes the XLT-60 easy to carry in and out of RV's, busses, boats, and other vehicles. A lift out bucket makes this innovative machine easy to empty and fill without carrying the machine to and from the water source. Instant heat and 60 psi provides professional cleaning power.

Product Features:

- Instant heat to 212° F
