

INTRODUCING THE NEW

COBRA[®] ADVANTAGE

Heated Portable Carpet & Upholstery Extractor

The new **Cobra Advantage** series provides the ultimate in performance and features in a competitively priced portable carpet extractor. With features like instant heat and 137" of water lift, the **Cobra Advantage** has the power to professionally deep clean auto carpet, upholstery, and floor mats. A large 13 gallon solution tank means longer runtimes, and the **Cobra Advantage** provides its owner with durability and longevity. Durable rotationally molded tanks, bodies, and inline heater come standard with a lifetime warranty. For a real *Advantage* in the detailing industry, contact us today for more on the **Cobra Advantage Series** of professional carpet extractors.
