

WET/DRY VACUUMS

GWD 9 & GWD 20

Cars • RV's • Buses • Boats • Aircraft

Choose from two different tank sizes. The GWD 20 is a 20 gallon unit for large capacity fixed locations. The GWD 9 is 9 gallons, a smaller compact size makes it ideal for transport in and out of boats, buses, aircraft, RV's, and other large vehicles.

Attention to detail on this line of tank vacuums is unmatched anywhere. Convenience, durability, performance, power, and easy operation and storage make the GWD 20 and GWD 9 Wet/Dry Vacuums a clear choice.
