FOR IMMEDIATE RELEASE

Take Advantage of the Advantage Series

U.S. Products introduces the Advantage Series of carpet extractors/ hard surface cleaners. The Series includes four models: the Advantage 100; 200; 400; and 1200.

Most models have instant 212 degree Fahrenheit heat,* 13 gallon solution/11 gallon recovery tanks, 12-inch non-marking wheels, and a lightweight, rotationally molded body.

Systems vary on psi and wands, and only the 1200 series has Auto-fill/Dump capabilities as standard.

But, all share one thing: cost savings. Because these machines share common components, manufacturing costs are reduced and the savings are passed on to you.

For more information, visit www.usproducts.com/advantage or call toll-free (800) 257-7982.

** The Advantage 1200 does not have a heater*

About U.S. Products

U.S. Products has been manufacturing professional cleaning & restoration equipment for more than 25 years. The company is well known for its innovative internal heating systems that deliver 212 degrees at the wand tip, top-quality components, and solid-state circuitry for precise operation, performance, and equipment control.
