# The King Cobra<sup>®</sup> 1200

## Dual Surface Cleaner

The latest innovation in the King Cobra Series features an exclusive dual-surface design that significantly increases the cleaning capability of the user. Powerful 1200 psi for hard surface cleaning of tile and grout or switch to hot water, instant 212°F carpet extraction cleaning at 150 psi. Auto-fill, power priming, chemical metering, and auto-dumping make the King Cobra 1200 easy to operate while increasing productivity and increasing revenue.

Patent pending, built-in 25' hose reel provides easy hose management. The wand holder, chemical storage system, and large transport wheels allow efficient, one-person transport.

For performance, versatility, convenience, and increased production, the King Cobra 1200 stands alone.

Dual-Surface Cleaner

# The King Cobra® 1200

## Dual-Surface Cleaner

### Exclusive Features From U.S. Products

- **Hose Reel:** Patent pending, built-in hose reel with 25' vacuum hose and solution line for easy hose management.
- **Heater Element:** In-line, after the pump for longer life and instant heat up to 212° F at the wand tip, lifetime warranty on heater.
- **Smart Circuit Locator:** Detects separate lines to eliminate blown circuits.
- **Low Solution Fill:** Solution fill area located low for easy bucket fill with less back stress.
- **Low Moisture System:** Less water combined with higher heat means faster drying, less chance of shrinkage and less wicking from the pad.
- **Tanks & Bodies:** Lightweight, rotationally molded with lifetime warranty against cracks, leaks, and dents.
- **Cord Wrap:** Accommodates up to 50 feet of 12/3 electrical cord.
- **Dual Surface:** Separate pump for 1200 psi hard surface cleaning. Separate pump for instant 212° F hot water carpet extraction at 150 psi.
- **Power Prime System:** Foot operated valve for easy priming.

### Specifications & Features

- Hose reel
- 25' high pressure solution line and crushproof vacuum hose
- 7.2" 3-stage vacuum
- 140" waterlift
- Ball & float shut-off
- Solution pump 1200 psi 2.2 gpm
- Positive displacement 1200 psi pump
- Demand pump 150 psi for carpet
- Instant 212°F, 2000 watt inline heater
- Smart circuit locator
- Low moisture design (for carpet cleaning)
- 16 gallon solution tank
- 14 gallon recovery tank
- Convenient low solution filling area for easy filling
- Auto-fill
- Power prime system
- Auto dump, 5.5 gpm with electronic shut-off
- Chemical caddy & syphon system
- Two handles for easy maneuverability and loading
- Wand caddy for easy transport
- Dump hose, 22" height
- 10" non-marking locking wheels
- Cords: 2 each, detachable 12/3 gauge, hospital grade plugs
- Stainless steel pre-filter
- Dimensions: 39"H x 21"W x 36"L
