

EVOLUTION FLOOD WAND

Lightweight, Superior Performance

New Light-Weight Flood Extractor Wand

- Unique roto-molded head is designed for laminar airflow to optimize water recovery
- Wide 16" head improves productivity
- Light-weight 2" aircraft aluminum vacuum tube designed for 2" vacuum hoses
- Built-in glide holder is roto-molded into the head for a custom airtight fit of the Delrin® glide that provides smooth operation over any carpeted surface
- Cast aluminum handle with rubber coating is adjustable to fit the operator
- Light-weight design reduces operator fatigue, only 7.4 lbs.

*Ideal for use with
U.S. Products' Flood King!*
